

Through the hustle and the bustle
Of this busy time of year
It is easy to forget you need
That present wrapping gear!
Out of tape or out of paper
Is not a happy place to be,
When you are trying to wrap those gifts
And get them underneath the tree!
So don't you worry, don't you stress
Here is a little something for you;
Just a few small supplies
To help you make it through!
So from our home to yours
All the season through
We want to say Merry Christmas
And Happy New Year too!
