

I Lived

by One Republic

Hope when you take that jump, you
don't fear the fall.

Hope when the water rises, you built a wall.

Hope when the crowd screams out, they're
screaming your name.

Hope if everybody runs, you choose to stay.

Hope that you fall in love and it hurts so bad.

The only way you know is give it all you have.

And I hope that you don't suffer, but take the pain.

Hope when the moment comes you'll say...

I, I did it all

I, I did it all

I owned every second that this world could give

I saw so many places, the things that I did

With every broken bone I swear I lived.

Hope that you spend your days,
but they all add up

And when the sun goes down, hope
you raise your cup.

Oh, I wish that I could witness all your joy
and all your pain

But until my moment comes I'll say...

I, I did it all

I, I did it all
